

TEAM PROFILE

ANDY KAO

COMMERCIAL ASSET MANAGER

PIONEERS OF HANDS-ON MANAGEMENT

Andy joined the First Asset Management team in December 2016 and has stepped into the role of Commercial Asset Manager. He brings both experience and enthusiasm with him, having previously worked at QED Group as a Commercial Property Manager. Andy is also completing a Bachelor of Commerce majoring in Finance at University of Queensland and is expecting to graduate later this year. He plans to continue his career in asset management and use the knowledge gained from his studies to benefit his client's in their everyday dealings.

Andy has both facility and property management experience with small to mid size retail centres, large inner-city mixed-use properties, strata title buildings, commercial offices and industrial properties. He also has experience with managing properties remotely (examples being; retail centres in Chinchilla and Parkes, Commercial offices in Gladstone).

In property circles, Andy is known for his strategic thinking and his efficiency and reliability in dealing with all day to day property matters. He also listens carefully to his clients, and prides himself on his ability to deliver to his client's expectations.

His clients enjoy his professionalism, flexibility and honesty as he delivers the very best specialist asset management services.

Andy is from Taiwanese heritage and can also speak, listen and read fluent Mandarin and Taiwanese, which is a valuable resource for the First Asset Management Team.
